#### How to apply

Fill the application form and sent it to [coolabora@gmail.com](mailto:coolabora@gmail.com) until 30 of November 2010 and join your CV.

#### Who can participate

All adult learners in any professional field who wish to develop their citizenship skills through theatre. Participants should have prior experience in theatre or at least should have a taste for this art form. Since the working language used is English, must also have an acceptable domain of language (especially in oral language).

## Workshop Programme

The workshop aims to reflect on gender equality issues by participated theatre sessions, allowing participants to present and share their perspectives on these issues. At the end it will be created a video with sketches chosen by the participants, providing an intercultural vision of gender issues.
